

To our valued family of customers,

As the COVID-19 situation continues to evolve, we have chosen to take proactive and precautionary measures to protect the health of our customers and staff.

As of Tuesday, March 24, 2020 we will be closed to walk ins.

To aid in the suggested social distancing, we suggest you visit our website, give us a call or send us an email to place your order.

If we are unavailable, please leave us a voicemail and we will return your call promptly.

Please be advised that certain products may be unavailable at the time of order, but we will contact you with suitable substitutions.

Pickups and deliveries are available at our discretion.

Thank you for your understanding and support in this time of uncertainty. It's a time for our community to work together to get through these events quickly and safely. We will continue to serve you, our customers, to the best of our ability.

Kind regards,

Deborah Robert
